

# Staff Safe Recruitment Policy

**Scope of policy:** All staff

**Approved by:** Senior Leadership Team / Trustees February 2024

**Review Date:** February 2025

## Introduction

Reviewed February 2024

inspire+ aim to recruit and retain the best staff to enable the Charity to deliver the Charity's programmes. Our policy is to ensure that recruitment and selection decisions are based on the ability of the applicant to meet the requirements of the job description, person specification and any other relevant criteria. All applicants and employees will be treated fairly and according to this policy and procedure, and our relevant equality policies. We are committed to valuing diversity and promoting equality. Safer recruitment protocols will be adhered to throughout.

## **Scope**

These procedures apply to all full time and part time appointments. The good practice elements of the procedure apply to all appointments, including staff on zero hours contracts.

### **1. Statutory Requirements**

1.1 Current employment law imposes obligations on employers not to discriminate on the grounds of a protected characteristic; age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership, pregnancy and maternity. Inspire+ are committed to taking a positive and pro-active approach to diversity and equality which extends beyond the statutory obligations. There is also an additional requirement to ensure that we comply with UK immigration rules and procedures.

1.2 In addition, we will take into account the practical guidance and recommendations of non-statutory codes of practice.

### **2. Responsibilities**

2.1 Training will be provided by Inspire+ to staff involved in recruitment so that:

- (a) Job descriptions, person specifications and recruitment advertisements are drafted in such a way as to make clear the requirements of job vacancies.
- (b) Our Diversity and Equality policy is a feature of all recruitment advertising.
- (c) Staff involved in recruitment and selection are aware of their role and responsibilities in this area.

2.2 The Chief Executive of inspire+ is responsible for the appointment of all staff and for ensuring that these procedures are followed, and that unfair discrimination does not occur. 2.3 All staff involved in recruitment and selection have a responsibility to behave in a non-discriminatory manner.

### **3. Criminal Convictions**

3.1 In all cases a DBS disclosure will be sought from the Disclosure and Barring Service. The requirement for a DBS disclosure will be clearly stated in the advertising/recruitment documentation.

### **4. The Recruitment Process**

4.1 The recruitment process is often the first experience an individual has of Inspire+ and it is important that it is a positive one. These procedures are designed to:

- (a) create a positive image to applicants who may be future employees;
- (b) give a clear understanding of our work and what will be expected of them as employees
- (c) enhance the quality of the candidate pool
- (d) reduce the risk of a bad selection decision.

An essential component of the recruitment process is the literature prepared for candidates, such as job description, person specification and further details.

## **5. First Step**

5.1 If an employee leaves, or additional staff resources are required it is the responsibility of the Chief Executive to determine that there is 'in principle' support for filling the vacancy and that the necessary budget is available.

The Chief Executive will determine the need for new or replacement posts based on the current and future requirements of the Charity. He/she may authorise moving to the next stage of the recruitment process where all of the following conditions are met:

(a) where the nature of the post fits within the Charity's frameworks and a budget can be identified to cover the cost involved.

(b) the grade has been determined in accordance with the Charity's procedures.

5.2 The Chief Executive will initially discuss and agree with the relevant Line Manager that the necessary budget is available to fill the vacancy.

5.3 If the job is new, or the duties of the job have changed significantly over time, it may be necessary for the job grading to be reviewed; the outcome may impact on the budget required.

5.4 If selection tools other than an interview are planned, these should be directly related to the requirements of the job, should be carefully selected, professionally designed and properly applied to ensure that there is no bias in the selection process.

## **6. Getting Started**

6.1 Vacancies have to be approved by the Chief Executive of Inspire+. The Line Manager who is seeking to recruit to a post must provide all of the recruitment documents, job description, person specification to the Chief Executive, who will collate this for submission to advertisers with relevant vacancy details including budget, whether the post is new or a replacement, full or part time, and the location etc.

## **7. Job Description**

7.1.1 The job description:

(a) provides a 'snapshot' of the job at a given time;

(b) defines the job purpose and principal accountabilities of the job;

(c) indicates where the job sits within the organisational structure;

(d) outlines reporting relationships;

7.1.2 The job description must be prepared by the Line Manager in a standard format.

Advice on production of job descriptions may also be sought from the Chief Executive.

7.1.3 Where there is an existing job description for the vacancy, this will need to be reviewed, and updated where necessary and set out in the latest version of the appropriate standard template.

## **Person Specification**

7.2.1 Person specifications are designed to identify the qualifications, experience, knowledge, skills/competencies, and personal qualities required of the successful candidate to ensure the job is carried out effectively. It is crucial to the recruitment process that it is clear and precise.

Since it outlines the criteria by which candidates will be shortlisted and selected. It is important to keep the person specification succinct. If candidates are not going to be assessed against a criteria during the recruitment process, then it shouldn't be included.

7.2.2 The person specification should make clear what is essential and what is desirable. Essential criteria are necessary pre-requisites whilst desirable criteria are 'nice to have's' which would be advantageous for the candidate to possess. The person specification with the job description is used to provide a realistic basis for an advertisement. Time spent at this stage will help at subsequent stages of the process.

7.2.3 Particular care must be taken when devising the criteria used in person specifications to ensure that these do not unlawfully discriminate against particular groups of people either directly or indirectly.

7.2.4 It must be clear that a satisfactory DBS check is required for the post

### 7.3 Additional Information/Further Details for Candidates

7.3.1 The Chief Executive may provide further information to supplement the job description and person specification e.g. giving the job context.

## **Recruitment Advertisement**

7.4.1 The recruitment advertisement should be designed to:

- a) give a snapshot of the job;
- b) attract those applicants whose experience, qualifications match the vacancy requirements of the job and quickly eliminate those who do not
- c) convey a positive image of Inspire+

7.4.2 The Chief Executive is responsible for providing a draft advertisement. It should be succinct and interesting, aiming to have maximum impact with a minimum of text.

Applicants initially scan publications very quickly for: job, salary, location, the job and key requirements.

## **8. Advertising the Vacancy**

8.1 All posts should normally be advertised for a minimum of two weeks to attract the best pool of candidates.

## **9. Shortlisting**

9.1 Shortlisting should normally be carried out by at least two members of the selection panel, one of whom will normally be the Chief Executive or a Trustee of the Charity.

9.2 It is important that the criteria set at the beginning of the recruitment process in the person specification are used to assess all candidates as objectively as possible.

9.3 Internal applicants 'at risk' should be shortlisted for any internal vacancy if they meet most of the essential criteria. The likely duration and cost of staff training and development will need to be taken into account in deciding whether the job would be suitable alternative employment for an 'at risk' applicant.

## **10. Selection Administration**

10.1 For all staff vacancies, references can be obtained after successful interview but prior to offering employment. In some cases the Selection Panel may decide that references are required prior to interviewing candidates.

10.2 Where references are to be requested prior to interview a longer lead in time is needed to allow referees reasonable time to respond prior to interview.

## **11. The Interview**

11.1 The aim of the interview is to select the best candidate for the job. It is a two-way process during which the details of the job can be discussed and the candidate's suitability assessed.

11.2 Where the candidate's application reveals any unexplained gaps in employment or inconsistencies, these should be explored with the candidate at interview.

11.3 Candidates will have been asked to bring with them to the interview their original qualification certificates plus a copy, which must be verified against the originals.

11.4 The purpose of collecting the above documents on the interview day is to ensure that any offer of employment may be expedited. If the documents are not collected or are not available, the Charity will need to make alternative arrangements, which may delay any formal offer being made.

11.5 The Chair of the panel must identify administrative support to meet and greet candidates on the day of the interview and to collect and photocopy the appropriate documentation.

## **12. Chair's Actions after Interview**

12.1 Following interviews, the Chair of the panel may make a verbal conditional offer of appointment to the successful candidate. It must be made clear that the offer is subject to completion of our pre-employment checks as follows:

(a) receipt of references which are satisfactory to us.

(b) evidence of essential qualifications c/confirmation of right to work in the UK

12.2 An offer of employment will be contingent upon a satisfactory DBS disclosure being received.

12.3 It must be made clear to the candidate that they should not resign their current position and that the Charity will only proceed to a formal offer of employment if all of the above preemployment checks are satisfactory to us.

12.4 Although you may wish to explore the successful candidate's availability to start work e.g. notice period, it is not appropriate to agree a potential start date at this stage.

12.5 The successful candidate must not be allowed to start work in advance of all the preemployment requirements being met.

12.6 Any unsuccessful internal candidates must be contacted by the Chair of the panel (or some other nominated member of the selection panel) to confirm the decision and provide feedback.

This should be by face-to-face.

12.7 The unsuccessful candidate documents should be disposed of in confidential shredding.

## **13. Salary**

13.1 On appointment the successful candidate will normally be placed on the first point of the advertised salary range for the job.

13.2 There may be situations where it is appropriate for the successful candidate to be placed on a higher salary point e.g. job-related experience. In such cases it will be for the Chair of the panel (in liaison with the Chief Executive) to decide the appropriate starting salary and put forward the appropriate justification.

## **14. Actions After Interview**

14.1 Unsuccessful external candidates will be informed of the outcome by email issued by the Charity usually within 5 working days of the interviews and after the successful candidate has accepted the job.

14.2 Confirmation of the conditional offer of employment will be sent to the successful candidate by the Head of Department or HR Services normally within 2 working days.

## **15. Formal Offer of Employment**

15.1 When all pre-employment conditions have been met, the Chief Executive will review the reference replies to determine that they are satisfactory.

Any discrepancies will be followed up and clarified.

15.2 The Chief Executive will then agree a start date with the candidate and arrangements for the first day of work.

15.3 A formal offer of employment can be made, paperwork will be sent to the candidate within 2 working days.

15.4 Details are then sent to the Resources Manager to set up.

## **16. Induction**

16.1 Once an appointment is made and is accepted, the Chief Executive will ensure practical arrangements for the new member of staff are organised before their arrival such as their workspace.

16.2 The Chief Executive/Line Manager should also ensure a local induction programme is planned for the new member of staff in readiness for their first day. This should incorporate standard information/health and safety/activities which are common to all staff within the department, plus elements which are specific to the role.

16.3 All new employees must receive a copy of the inspire+ Staff Handbook

16.4 All new employees will be subject to a 6 month probation period reviewed by Line Manager/ CEO. (Please see appendix 1)

## **17. Continual Professional Development (CPD)**

17.1 As part of the charity's commitment to provide high quality delivery in all service areas all new staff members must make a commitment to engage with regular CPD.

17.2 All new members of staff will be offered and will be expected to take part in a professional development programme following an initial assessment of skills needs. This is likely to be the Level 3 Community Sport and Health officer or Level 2 Community Activator Coach Apprenticeship.

17.3 All staff are required to take part in mandatory training which is required as a result of their role within the charity. For example, Safeguarding/ Health and Safety/ Equality and Diversity training on an annual basis.

## **18. Specific Procedures Relating to Teaching and Tutoring Staff**

18.1 The recruitment steps outlined below are based on part 3 of Keeping Children Safe in Education.

18.2 To make sure we recruit suitable people, we will ensure that those involved in the recruitment and employment of staff to work with children have received appropriate safer recruitment training.

18.3 We have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

## **Advertising**

When advertising roles, we will make clear:

- Our Charity's commitment to safeguarding and promoting the welfare of children
- That safeguarding checks will be undertaken
- The safeguarding requirements and responsibilities of the role, such as the extent to which the role will involve contact with children
- Whether or not the role is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020. If the role is exempt, certain spent convictions and cautions are 'protected', so they do not need to be disclosed, and if they are disclosed, we cannot take them into account

## **Application Forms**

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy and our policy on the employment of ex-offenders

### **Shortlisting**

Our shortlisting process will involve at least 2 people and will:

- Consider any inconsistencies and look for gaps in employment and reasons given for them
- Explore all potential concerns

Once we have shortlisted candidates, we will ask shortlisted candidates to:

- Complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they have the opportunity to share relevant information and discuss it at interview stage. The information we will ask for includes:
  - If they have a criminal history
  - Whether they are included on the barred list
  - Whether they are prohibited from teaching
  - Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
  - Any relevant overseas information
- Sign a declaration confirming the information they have provided is true

### **Seeking references and checking employment history**

We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references we will:

- Not accept open references
- Liaise directly with referees and verify any information contained within references with the referees
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children

- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate
- Resolve any concerns before any appointment is confirmed

### **Interview and selection**

When interviewing candidates, we will:

- Probe any gaps in employment, or where the candidate has changed employment or location frequently, and ask candidates to explain this
- Explore any potential areas of concern to determine the candidate's suitability to work with children
- Record all information considered and decisions made

### **Pre-appointment vetting checks**

We will record all information on the checks carried out in the Charity's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

### **New staff**

All offers of appointment will be conditional until satisfactory completion of the necessary pre-employment checks. When appointing new staff, we will:

- Verify their identity
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information for those who will be engaging in regulated activity (see definition below). We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6 months, but when the copy is destroyed we may still keep a record of the fact that vetting took place, the result of the check and recruitment decision taken
- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. Where available, these will include:
  - For all staff, including teaching positions: [criminal records checks for overseas applicants](#)
  - For teaching positions: obtaining a letter of professional standing from the professional regulating authority in the country where the applicant has worked

- Check that candidates taking up a management position\* are not subject to a prohibition from management (section 128) direction made by the secretary of state

\* Management positions are most likely to include, but are not limited to, headteachers, principals and deputy/assistant headteachers.

We will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we take a decision that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment on the individual's personnel file. This will include our evaluation of any risks and control measures put in place, and any advice sought.

**Regulated activity** means a person who will be:

- Responsible, on a regular basis in a school or college, for teaching, training, instructing, caring for or supervising children; or
- Carrying out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children; or
- Engaging in intimate or personal care or overnight activity, even if this happens only once and regardless of whether they are supervised or not

### **Existing staff**

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or ➤  
There has been a break in service of 12 weeks or more

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in [relevant conduct](#); or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#); or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and
- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

### **Agency and third-party staff**

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

## **Volunteers**

We will:

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check without barred list information for any volunteers not engaging in regulated activity. We will retain a record of this risk assessment
- Ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought

## **Trustees**

All Trustees will have an enhanced DBS check without barred list information.

They will have an enhanced DBS check with barred list information if working in regulated activity.

All proprietors, trustees, local governors and members will also have the following checks:

- A section 128 check (to check prohibition on participation in management under [section 128 of the Education and Skills Act 2008](#))
- Identity
- Right to work in the UK
- Other checks deemed necessary if they have lived or worked outside the UK

## **Adults who supervise pupils on work experience**

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm.

We will also consider whether it is necessary for barred list checks to be carried out on the individuals who supervise a pupil under 16 on work experience. This will depend on the specific circumstances of the work experience, including the nature of the supervision, the frequency of the activity being supervised, and whether the work is regulated activity.

## **Review of Policy & Procedure**

This procedure is subject to review in the light of relevant developments in legislation and employment practice. We reserve the right to amend the procedure from time to time at our discretion.
